## SUMMARY

---

Aspiring Computer Science major at Carleton University (Class of 2027) with a strong foundation in software development and problem-solving. Seeking an internship where I can contribute to impactful software solutions while further developing my technical skills and understanding of the software development lifecycle.

## EDUCATION

---

**Carleton University - Bachelor of Computer Science Honours**

Ottawa, On

*Specialization in Software Engineering - Co-op Education Stream*

*Sep. 2023 – Present*

## TECHNICAL SKILLS

---

**Languages:** Java, Python, C, JavaScript, HTML/CSS

**Developer Tools:** Git, VS Code, Visual Studio, PyCharm, IntelliJ, Github

**Soft Skills:** Problem-Solving, Teamwork, Communication Skills, Adaptability, Time Management

## PROJECTS

---

### **Tax Program** | *Java*

- Designed and implemented a basic tax calculator in Java for straightforward tax computations.
- Focused on user-friendly input for basic financial data to calculate personal tax liabilities.
- Ensured the program's reliability and accuracy for common tax scenarios.
- Applied fundamental Java concepts for efficient and clear code structure.

### **Tic-Tac-Toe** | *Python*

- Created a Tic-Tac-Toe game in Python, focusing on ease of use for players.
- Employed clear and organized code to ensure smooth game functionality.
- Demonstrated skills in optimizing game performance, making it fast and enjoyable for users.

### **Coffee Menu Webpage** | *HTML, CSS*

- Developed a simple and visually appealing coffee menu webpage using HTML and CSS.
- Focused on creating a user-friendly layout, ensuring easy navigation and readability.
- Utilized CSS for styling and formatting to enhance the visual appeal of the menu.
- Ensured responsive design for optimal viewing on different devices and screen sizes.

## EXTRACURRICULAR

---

### **Volunteer**

Sep 2021 – Present

*Boys & Girls Club of Ottawa*

*Ottawa, On*

- Actively participated in organizing and facilitating various events and activities for children, fostering a fun and engaging environment.
- Assisted in setting up event spaces, ensuring they were safe and conducive for children's activities.
- Engaged with children during events, providing guidance, supervision, and encouragement in activities.

### **Supports for Student Learning Program**

April. 2023 – June 2023

*Federation of Black Canadians*

*Ottawa, On*

- Actively participated in the program aimed at supporting youth in their journey to post-secondary education.
- Engaged in various activities including workshops, mentoring sessions, and group discussions.
- Demonstrated exceptional commitment and proficiency, culminating in recognition as the top recipient of the program for 2023.
